I have read your book "The King's Book of Numerology." It was the best numerology book I ever read.

Richard King is our #1 numerology reference. ~ Karen Prioletti & Ann Trump: The Saint Deck & Book

Richard Andrew King breaks new ground! It's almost as if the very Spirit of Numerology is using King as an instrument to evolve this ancient science to a new level. After learning from King's teaching, it is impossible to conceive of going back to that 'twilight naive and foggy' state of being where one can only guess or hint at the truths, motivations and directions of one's life that are Pre-King.
~ Hunter Stowers - NY, NY
