CHAPTER 10

RICHARD RAMIREZ

~ THE NIGHT STALKER, KILLER ~

THE NIGHT STALKER, RICHARD RAMIREZ, was one of the most vile, demented, evil killers in American history, perhaps even worse than Ted Bundy. He also was labeled as *The Walk-in Killer* and *The Valley Intruder*.

A few of the differences between Bundy and Ramirez were that Bundy's killing spree was longer, geographically wider, and focused only on young women. Ramirez's killing spree and home invasions included the entire state of California, although mostly centered in the Los Angeles and San Francisco areas and targeted anyone. His murder mayhem lasted sixteen months and focused on both males and females. (Wikipedia)

Ramirez had no qualms about who and how he killed. His weapons of choice were handguns, claw hammers, a variety of knives, a tire iron, machete, even his own hands. He even stomped one woman to death and shocked another woman with a live electrical cord. Rape, as well as murder, was within this evil man's diabolical behavior.

A law enforcement officer and student of the Karate Institute of America™ said that a murder in the city of Mission Viejo, Orange County, by Ramirez was so violent, gruesome, heinous and bloody that some officers were taken aback by the pure evil of it all.

Ramirez's murders began on 28 June 1984 and ended on 31 August 1985 when he was spotted by some Hispanic women in East Los Angeles, chased down by a group of citizens, beaten badly (and deservedly so) and taken into custody.

Jury selection began on 22 July 1988 and on 20 September 1989, the Night Stalker, Richard Ramirez, was convicted on thirteen counts of murder, five attempted murders, eleven sexual assaults and fourteen burglaries. He was sentenced to death and died in prison on 7 June 2013 at age 53 while awaiting execution. (Wikipedia)

The Basic Matrices of the “Bad Guys” in this 13th Volume of the *King’s Book of Numerology*tm Series reveal a great deal about their lives and demeanors. Richard Ramirez’s Basic Matrix is no different.

Ramirez’s 11-2v Lifepath is negatively problematic. The 2 governs females, others, relationships, teams, partnerships, support, caring, helping. In its negative aspects the 2 is conflictive, competitive, oppositional, interfering, duplicitous, deceitful, hostile, vacillatory and emotionally volatile. The 2v is an energy that, unless offset by other positive energies in a chart, has no concern, compassion or feelings for other people. In fact, quite the reverse. Many boxers, for example, have a 2v in their charts, which is perfect for them because the boxer’s job is to beat people up in order to win; not to care about them.

The 2v Lifepath of Richard Ramirez echoes the aspect of not caring for anyone, at all. His entire life’s lesson was to have absolutely no feelings or compassion for humanity. There was no love in him, only stone-cold-hearted disregard and disinterest for others and their well-being. And as we’ll see, the 2v was the most dominant single energy in his chart.

In his Basic Matrix, notice the 29 General root of Ramirez’s Lifepath. The 29 is the most powerful binary number regarding conflictive relationships. The 2 rules relationships and the 9

governs power. Frankly, this is a great number for competitors, especially those who want to dominate (9) others (2). It's a power energy, not a lovingly supportive energy.

However, Ramirez's 2 is voided so his 29-2 Lifepath is ciphered not just as a 2v or 2v9 but fully as 2v9/11-2v. This amplifies the 2v negativity and Ramirez's disregard for others.

The next number of importance is the 44-8 in his Performance/Experience. As we know, the 8 governs interaction, engagement, orchestration and manipulation. Because the 44-8 is located in his PE position, it means his performance on life's stage will be one of manipulation to some level. The 2v will negatively affect his 44-8 master PE. What is also interesting is that Ramirez's Umbrella reflects the social quatrain: 2, 4, 6 and 8, or more clearly the 2v, 4, 6 and 8.

Besides the 44-8 in his PE, his most primal desire is an 8. He wants to engage, interact and manipulate. With a 44-8 PE and an 8 primary Soul, Ramirez's life is giving him what he wants—an environment of manipulative interaction.

The next number of importance is the master 55-1 in his Material Soul. Thus, his worldly desire is to be free and independent. He's an action-oriented type of guy, a lone wolf and maverick. By the way, where have we also seen this 44-8 and 55-1 duo? That's right—in the chart of a fellow killer, Ted Bundy. Now please don't over-react. There are many people who have the 44-8 and 55-1 in their charts and they're not killers. It's just that Bundy and Ramirez happen to be acting on the dark side of their numbers, obviously.

The 7 Nature and 9 Material Nature speak to isolation and withdrawal (7); power and rulership (9). Bundy also had a 9 (in his Material Soul) and 77v in his PE, so there are many similarities to ponder in the charts of Richard Ramirez and Ted Bundy.

This is also interesting. Richard Ramirez was a believer in Satan. Take another look at his photo at the beginning of this chapter. As he waves to the camera, his left palm reveals the etching of a pentagram—a Satanic symbol. In his demonism he would sometime make people “Swear on Satan” if they wanted to live. (Wikipedia). The General Expression of the word *Satan* is a 55-1. The Soul of “Satan” is a 2, matching Ramirez's 2v Lifepath. Once again, don't get freaked out. Many wonderful people have the 55-1 master number in their charts. What we're seeing in this book of Bad Guys is the dark side of numbers.

NAME TIMELINE: RICARDO

Richard Ramirez's first natal name is *Ricardo*. It manifests a 5 energy. When this 5 filters through his 11-2v Lifepath, the outcome is a 16-7. The ciphering is 5/(11-2v)/16-7. This pattern is one of the most difficult in numerology, especially if there are voids in any of its numbers. For Ramirez, it was negatively problematic because of his 2v.

The Name Timeline of *Ricardo* is 41 years. Thus, it began at birth and lasted through age 41. Ramirez was born on 29 February 1960 and captured on 31 August 1985. Therefore, his demonic rampage was within the timeline of *Ricardo* and its 5/(11-2v)/16-7 energy field.

Still, because the first name is always activated when spoken, the energies of the first name are activated for the entire life. Because of this 5/(11-2v)/16-7 IR Set, Ramirez's life was always involved in relationship-based turmoil via the 11-2v & 16-7 Great Purifier. The master 11-2v equates to tension; the 16-7 to chaos.

NAME TIMELINE: LEYVA

Ramirez's second natal name is *Leyva*. Its Expression is a 2 with a 20 year timeline, ending at age 61. Its IR Set is 2v/(11-2v)/4. Ramirez died at age 53. Again, we see more 2v energy causing him trouble, even in prison.

Ramirez's Life Matrix reveals *Life Linkage* of the 2v energy. In simple words, he would never have concern for others in his entire life. The 2v is in his Lifepath; his day of birth (29-2), 2nd Epoch (month of February), 2nd Challenge ROPE, 3rd (Grand) Challenge ROPE, 4th (Crown) Challenge ROPE and a 22v ROPE in his 3rd (Crown) Epoch. Interestingly, none of his Pinnacles contained a 2v. The 2v was only in his Epochs and Challenges. This should raise at least a yellow flag. Challenges hide things. Pinnacles reveal them, openly.

THE 20's DECADE & AGE TIMELINE MONTHS

The 20's Decade begins at age 20 and terminates at the end of age 29. Because the 2 is voided in Ramirez's chart, the IR Set for him during his 20's Decade was $2v/(6)/8$. This only added to the saturation of all the other 2v aspects of his life, making things worse.

Ramirez's killing spree started on 28 June 1984. Ironically, this date generates a 29-11-2 IR Set when the 28 is reduced to a 1, i.e., $1 + 6 + 1 + 9 + 8 + 4 = 29 = 11-2v$.

This reduction date of the 29th is the actual date of the day Ramirez was born—the 29th! Inserting the 2v into the full date of 28 June 1984 creates a simple $2v/(6)/8$ simple energy pattern. Born on a 29 day and starting a violent murder spree on a date whose numbers equate to 29 couldn't be more amazing.

Regarding the day of the 28th, the 28 can be ciphered as 2v8 and the year 1984 creates a 22 master number in reduction. For him, it would be ciphered as 2v2v, or simply 22v. All this just added to the evil of Ramirez's life.

The months of Ramirez's Annual Cycle Patterns begin on the 29th of each month (his day of birth) and continue through the 29th of the following month. The first killing on 28 June 1984 was in his natal May—the 5th month of his 24th year which begins on 29 May and ends on 29 June, one day after the first killing on 28 June. The Universal column of his Age Timeline (ATL) during that month of May manifested an IR Set of $2v/(6)/8$ and the Cycle column of his ATL during the following month of June was also a $2v/(6)/8$! These two Age Timeline Months of his Annual Cycle Pattern during his 24th year were when the ignition switch of his murderous rampage was activated, as history has proven.

And here's yet another aspect to consider. The Subcap of the 24 is a 2. Subcaps are generated by subtraction. In this case $4 - 2 = 2$. Therefore, Richard Ramirez's 24th year generated a 2v Subcap, the IR Set of which is a $2v/(6)/8$!

Everywhere we look in the chart of Richard Ramirez the 2v energy pops up in one form or another. Not only did he have *Life Linkage* of the 2v but *Stacking* of the 2v was massive. The

following list on the next page reveals 22 examples of the 2v discussed in Ramirez's chart. Isn't it interesting that the total number of the examples equals 22!

SUMMARY

One of the dramatic observances in the chart of Richard Ramirez is, as we see, the immense stacking of the 2v. It is the most dominant energy in his chart, and what it tells us is how powerful stacked voids can be, not just the 2v but any voided number.

We also see stacking of other numbers in other charts and how they manifest—whether they are positive or negative. Therefore, in assessing the conclusions of any chart analysis one major rule of thumb is to “ascertain the type and degree of voids.” Having a few voids without a lot of stacking will not be overpoweringly negative. Stacking is the key to intensity. Look for it first.

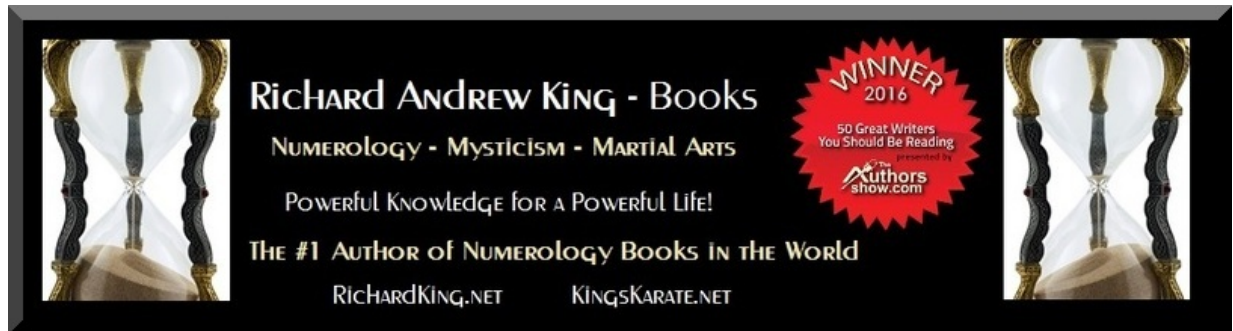

We’ve also seen how master numbers can have an impact on someone’s life. The 11 is the most common master number but every master number will have an impact beyond single numbers. The 33-6, 44-8, 55-1 and 99-9 are particularly of note. The 33-6 governs sex, pleasure and love; the 44-8 can be very manipulative; the 55-1 references freedom, variety and independence, and the 99-9 always brings the public into view in some way because 99-9 is the most universal of all master numbers. In fact, it is dominant in the chart of our next notorious Bad Guy—Charles Manson—one of the most heinous and evil cult leaders of the 20th Century.
