## NIKKI HALEY'S LOSS

**NIKKI HALEY**—A United States Republican Presidential candidate for her party—finally suspended her election bid on 6 March 2024. Her campaign lagged heavily behind Donald Trump but she refused to halt her campaign until 6 March. Haley's political demise was too overwhelming for her to continue her election bid. Are there numerological reasons for her loss? Silly question for a numerologist, right? Let's see what Haley's numbers say about her run for the Republican Presidential nomination.

First, let's check out her Basic Matrix. It's quite interesting.

## BASIC MATRIX

NIMARATA NIKKI RANDHAWA

(Wikipedia)

20 January 1972

Roots ↓	Lifepath	Expression	PE	Soul	M/S	Nature	M/N	Voids
<b>Simple</b>	<b>22-4</b>	<b>3v</b>	<b>16v-7v</b>	<b>33v<sup>2</sup>-6v</b>	<b>55-1</b>	<b>6v</b>	<b>55-1</b>	<b>3-6-7</b>
<b>General</b>	22	93	115	33v	55	60	82	
<b>Specific</b>	40	201	241	33v	73	168	208	
<b>Transition</b>	13	12	16	15	28	15	10	

Haley's 22-4 Lifepath is powerful. As we know, the 22-4 is associated with money, power, structure, work, service, construction, development, etc. Haley served as Governor of South Carolina from 2011 through 2017. She also served as the United States Ambassador to the United Nations from January 2017 through December 2018. Her success in these roles was directly related to her 22-4 Lifepath.

Haley's full name (her Expression) is a 3 but note that her 3 is voided. This is key because the 3 represents language, lexicon, communication, speaking, words, vanity, beauty, fun, art of all kinds, children, sexuality, pleasure. Because her 3 is voided, there will be issues in her life, potentially, with honest communication. As her history has shown, Haley will say one thing and then do another—whatever it takes to get her way—which is common with many people in power. She once said she would never run for office against Donald Trump and, yet, she did run against him, breaking her solemn promise. This lack of truthfulness and disloyalty is one of the most powerful aspects of her failing presidential bid.

Joe Biden also has a 3 void. How many times has he not told the truth? Too many to know.

When Haley's 4 Lifepath merges with her 12-3v Expression, the Performance/Experience becomes a 16-7. This is also key because both her 6 and 7 are voided, creating the 16v-7v PE. This is not good. It spells trouble. As we know, the PE represents the roll her destiny will give on the great life stage. Her 22-4 Lifepath is the script of her life; her 3v Expression is her as actress, and her 16v-7v PE is her performance on the life stage.

The 16v-7v pattern is troublesome. It is one of the most challenging numeric forms of all. The 16-7 is problematic but the 16v-7v is extremely precarious. The 6v focuses on love, sex, home, community, responsibility. When voided, the 6v will definitely have issues with love to some degree—social, familial, professional. The 7v is often associated with a lack of discretion, judgement, wisdom and introspection. Haley was surely a victim of both the 6v and 7v energies. Had these voids been absent, her life would be more positive.

Nikki Haley's Soul is a double 33v-6v. Ouch! Communication issues for sure, as well as family matters, vanity and being ostentatious. Furthermore, look at her 6v Nature! More compounding of love issues both privately and publicly.

The 55-1 Material Soul (M/S) and 55-1 Material Nature (M/N) make Haley a rebel and a leader. The 55 is an unconventional energy of change, movement, rebellion and freedom. The #1 and its energy of leadership, ego and self reveal a very mercurial energy (55) that is potentially self-serving and self-centered (1). Hence, her strong and changeable persona. Haley's problem is

further complicated by her 3v, 6v, and 7v. Her strong 1 ego of self and 7v PE with its lack of discretion and deep thought were at the base of her demise. In effect, Haley’s entire Basic Matrix reveals a positive structure (22-4); conflicted thought and a lack of discretion (7v); communication problems (3v); familial challenges (6v); a desire for rebellious change and power (55-1) with her as the center of attention (1). Nikki Haley’s life changes and political misfortunes aren’t her only issues. Her Life Matrix adds much to her failed aspirations.

Wow! Nikki Haley’s Life Matrix is incredibly revealing!

1. Every aspect of her Life Matrix contains a 3v energy serving as the Filter for the IR Sets. This tells us that—from life to death— she will be challenged with honest communication, words, speaking, beauty, vanity, etc.
2. Haley has “Life Linkage” of the 1/(3v)/4 Influence Reality Set from life to death also. This I/R Set focuses on her individuality, leadership, self-centeredness and self-importance (1) moving through her 3v Filter to create a life of work, service, structure, stability, building, rules, etc. (4)
3. Nikki Haley’s Crown Pinnacle reveals a 3v/(3v)/6v Influence Reality Set (IR Set). Interestingly, her Crown Pinnacle began at age 51 and will be active for the remainder of her life. Her bid for the Republican Presidential nomination began at age 52—the year she lost to Trump. With this 3v/(3v)/6v IR Set, there is little to no way she could have won the nomination because of her dishonest communication and self-importance. Most people become very upset when people go back on their word. How can such people ever be trusted? In contrast, Donald Trump has never violated his word. He honors it, which is why he’s loved and admired by millions.

Haley's double 9/(3v)/3v IR Set focuses on the public domain, power and universality. We've talked about the 3v. It casts a dark shadow over the 9 energy of humanity. This amount of 3v energy creates negative questions regarding Haley's ability to be honest and forthright, which she wasn't. This cost her dearly and may have a major negative effect on her future in politics.

The 1/(3v)/4 IR Set reveals her ability to work and lead. This is obvious in her role as Governor of South Carolina and her service as a United States Ambassador to the United Nations. Again, this IR Set would have been more powerful if her 3 and not been voided.

Haley's dual IR Set of 4/(3v)/16v-7v was not just the straw that broke the camel's back, it was the combined weight of the 3v, 6v and 7v triumvirate. Issues of honesty, communication and vanity (3v); sincerity of heart, love, family and community (6v) and a lack of discrimination, insight and discretion (7v) provided more weight than her political campaign could tolerate.

Haley's Life Linkage of self and ego stemming from the 1/(3v)/4 energy pattern was also a major factor, especially when combined with the 55-1 IR Set of her Material Soul and Material Nature. Haley wanted to be the revolutionary (55) hero (1), but such a reality was not to be, especially after her unwise "too-long, too enduring push" to be the Republican Presidential candidate.

Also, how interesting Nikki Haley's life and fortunes would have been without that 3v, 6v, 7v triumvirate? Now it may never be known or realized.
